

# SMUDGE PROOF

# WATER PROOF

# KISS PROOF

## 36 Amazing Colors

## About Us

Lip color lasts up to 18 hours with waterproof coverage that won't kiss off, smear off, rub off or budge off! Products are not tested on animals and are also vegan, non-gmo, wax free and lead free.

Scientifically formulated to molecularly bond to your lips with a patented color technology. There is nothing else like it!

Our gloss works with the color to moisturize your lips and lock in the color.

## How To Apply

### CLEAN AND DRY LIPS

- Clean and dry lips
- Lips must stay DRY through the application process!

### APPLY 3 THIN LAYERS OF COLOR

- Shake color tube thoroughly before use.
- Do not touch lips together.
- Apply layers in the same direction.
- Allow each coat to dry 5-10 seconds before applying next layer.

### APPLY GLOSS

- Cover entire area with gloss.
- Rub your lips together to spread gloss evenly.
- Reapply gloss as needed throughout the day.

## Tips & Tricks

Never leave in the car!

Always cleanse your lips with witch hazel before applying.

Make sure you gloss, gloss, gloss!

- when you go to bed
- before and after you eat
- throughout the day
- wear the gloss even when you are not wearing color!

When applying, your lips might feel cool, dry or tingling.

If your lip color is flaking, don't stress! It is working to exfoliate dead skin and wax build up from your lips. Keep with it girl!

Shake from the base of the tube before applying to distribute the product evenly.
